# OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

## FIRST.

The development of acquaintance as an opportunity for service;

## SECOND.

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

## THIRD.

The application of the ideal of service in each Rotarian's personal, business, and community life;

## FOURTH.

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

# A BRIEF HISTORY OF ROTARY

Paul P. Harris organized the first Rotary club in Chicago, Illinois, USA, on 23 February 1905. Seeking fellowship and professional camaraderie, Harris, a young lawyer, invited a group of men, each engaged in a different vocation, to form this new club. That basis for membership — one person from each business and profession in the community — still exists in Rotary. The name came from the original practice of rotating meetings among members' places of business.

Today, more than 1.2 million people call themselves Rotarians. The ideal of Service Above Self is shared by 34,000 Rotary clubs in nearly every country.

# JOIN A ROTARIAN ACTION GROUP

A Rotarian Action Group is an autonomous group of Rotarians, family members, program participants and alumni who are experts in a particular field, such as microcredit or water and sanitation. Group members share their expertise by **collaborating with clubs and districts** on service projects.

For example:

The Rotarian Action Group for Population Growth & Sustainable Development partnered with Rotary clubs in Germany, Austria, and Nigeria to reduce maternal death by 50 percent at 10 hospitals in northern Nigeria with a program to prevent and treat obstetric fistula, a serious birth injury.

Rotarians for Family Health & AIDS Prevention and Rotary club members from Nigeria, Kenya, and Uganda sponsored a three-day event to provide HIV testing and counseling for more than 138,000 people.

# Rotary Norge

Rotary kom til Norden og Norge med Kristiania Rotary Klubb 1. juni 1922 (charter-dato).

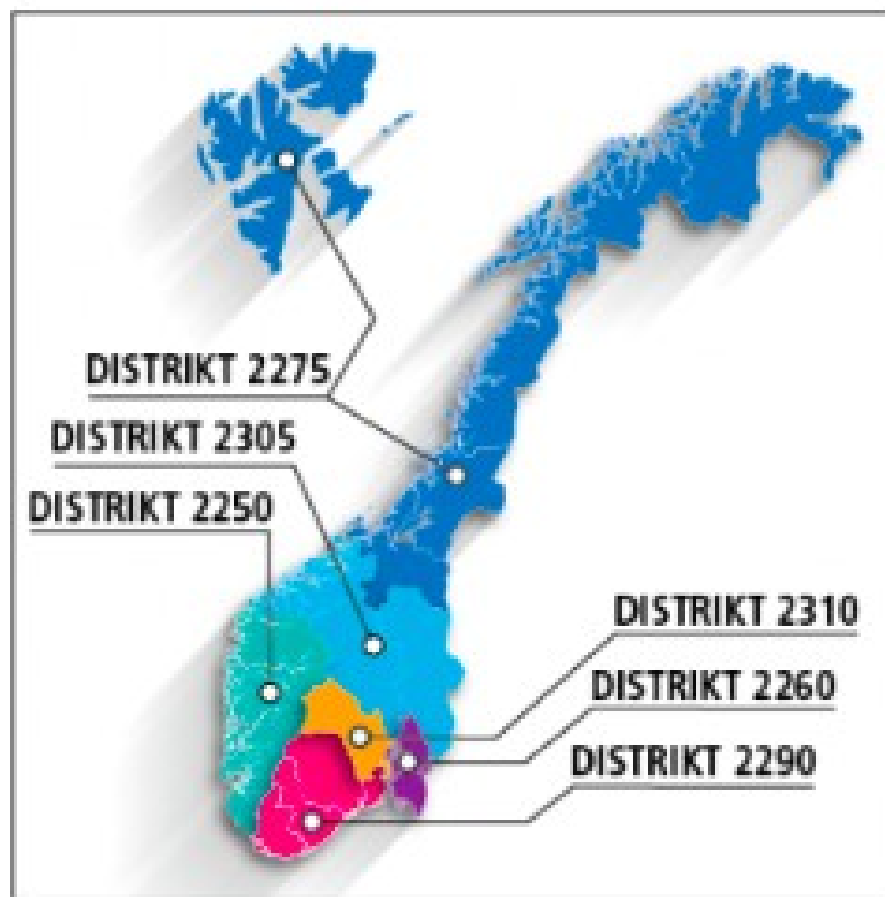

1926 opprøpt ideen om de fire hovedveier: Klubb-tjenesten, samfunnstjenesten, yrkestjenesten og internasjonal tjeneste.

Fra 1927 ble de såkalte fire avenyer (The Four Channels of Service) rammen for handlingsprogrammet for all Rotary-virksomhet og idéen om å se på Rotary som en motorvei med fire kjørefelt.

H.M. Kong Harald er æresguvernør for de norske rotarydistrikter og Paul Harris Fellow.

Norge er i dag ett av de land med den høyeste rotarianer-tetthet. Nesten hver 300 innbygger er rotarianer. Norge er delt inn i seks rotarydistrikter med til sammen ca. 330 klubber og ca. 12.000 medlemmer.
